The registrant rendered advice and counseling to Alitalia concerning the promotion of Alitalia's commercial interests in connection with bilateral aviation matters between the United States and Italian governments. During the reporting period the registrant had several conversations with staff personnel of the Department of Transportation, which were confined to obtaining information concerning existing U.S. Government interpretations and policies.

On behalf of Toshiba Corporation ("Toshiba"), the registrant met and/or had telephone conversations with the U.S. Government officials and journalists identified in the following table. The purpose of these communications, all of which took place in Washington, D.C. on the dates specified, was to present Toshiba's position in opposition to certain legislative proposals pending in the U.S. Congress to impose trade sanctions on Toshiba in connection with Toshiba Machine Co., Ltd.'s involvement in the export of high-technology equipment to the Soviet Union. In addition, the registrant met with Senator Robert Packwood on August 27, 1988 while in France conducting other business, also for the foregoing purpose.
